

**ASMR - Richmond 2008:
New Opportunities to Apply our Science
EXHIBITOR INFORMATION**

Marriott Hotel, Richmond Virginia, June 14 to 19, 2008

The 25th Annual Meeting of the American Society of Mining and Reclamation will provide an exceptional opportunity for your company or organization to interface with land reclamation and revegetation/remediation professionals along with those who influence decisions about the purchase of related products and services. This meeting will also serve as the 10th meeting of the International Affiliation of Land Reclamationists. We anticipate a total attendance of over 300 reclamation practitioners, scientists, regulators and students. Register now to bring your company's exhibit to Richmond in June 2008!

Traditional booths for display feature a 10' x 10' draped booth, including one 6' skirted table, two chairs, and signage. Exhibits Inc. will also provide additional tables, seating and other support for an additional fee (see attached information).

Electrical, internet and AV support will be supplied by the hotel for a separate charge (see attached information). The exhibit hall is arranged to facilitate traffic throughout the entire exhibit area by strategic placement of access points and refreshment areas. **Setup time is scheduled from 12:00 to 6:00 pm on Sunday, June 15, 2008 with breakdown following the afternoon break between 3:00 and 6:00 pm on Wednesday, June 18, 2008.** The Exhibit Room will be open daily during the conference with locked security at night. A map of the booth locations is attached and will also be placed on the meeting web page (http://www.cses.vt.edu/revegetation/ASMR_2008.html). The on-line map will be updated and booths will be designated as being "sold" over time. Selection of your exhibit space(s) is on a first come first served basis when your payment is received. Mark the attached form as to first, second and third choices.

The Conference will feature a variety of ways to showcase the capabilities of your company:

Exhibitor Forum – Reception - A special Monday evening reception will be held at 5:30-7:00 pm during which your company or organization can display your products and/or services using their audio/visual media of choice. To assure good attendance at the Reception, it will be coupled with a free social hour to include appetizers, beverages, and a no-host bar. Exhibitors are requested to provide a gift to be raffled during the lunch on Wednesday. We find this raffle is a great way to increase attendance at the Reception and visits to your booth and creates an exciting atmosphere. Attendees will be given a ticket when they visit your booth which will be used in the drawing.

Website Listing - Exhibitors will be listed on the ASMR website by name/logo which includes either a link to the company's website or short listing of contact information. The website listing will stay on the main ASMR website until the 2009 annual meeting.

Breaks and Meals - The Exhibitor's forum, continental breakfasts, and all morning and afternoon refreshment breaks will be conducted in the Exhibition Room area. The technical posters will also be placed in the exhibit area.

Conference Programs - The final registration materials for all attendees will include a packet identifying all exhibitors, their addresses, and the services and/or products provided. Please include a short narrative about your business for this packet.

Please note that all exhibitors will receive two complete registrations that will include all technical sessions and regular meal functions (lunches/breakfasts/receptions/coffee breaks).

Another way to promote your company is to **sponsor a breakfast, lunch, or refreshment break**. Recognition will include sponsorship signs placed by refreshment tables and announcements made by session moderators, and printed recognition of your company in the meeting program. **TO MAXIMIZE YOUR COMPANY'S EXPOSURE, EARLY REGISTRATION IS ESSENTIAL! FILL OUT THE ATTACHED EXHIBITOR REGISTRATION FORM.**

Please fill out the Exhibitor Registration Form below and return with payment to:
